We just got to Pendleton, OR, crossed into OR not too long ago. We were stuck in the snow on US Highway 2 in WA for about 2 hours and managed to get out and get back on the road. 2 1/2 hours till we get to SW Idaho.

2

post it a day late and scrub exif data. Dont give antifa/KGB any breadcrumbs

▼

You can get an app on your browser that will show exif data for any picture if its not scrubbed (lots of websites auto scrub it)

I can get time, location, type of device the photo was taken on, all kinds of info.
